PROJECT

Foodies Hub (04/2023 - 05/2023)

- Developed a user-friendly & interactive front-end interactively.
- Technologies used: HTML, CSS, JavaScript, React JS.
- Implemented responsive design principles for optimal user experience across devices.
- Recipe Browsing: Users can explore an extensive collection of recipes organized by categories.
- User Interaction: Integrated a 'Follow' feature that enables users to follow their favorite chefs and receive updates on new recipes.
- Challenge: Complex User Interactions.
- Solution: Broke down the UI into modular components, facilitating better user experience and code maintenance.
- Gained hands-on experience in utilising React components and hooks for building dynamic front-end interfaces.
- Developed a deeper understanding of user experience (UX) principles and their impact on engagement.
